Highlights of 2024

- After 15 months we were granted a permit to set up our Yurt... and with help from our friends, we did.
- We are still in need of an electrician to help us with the next step.
- Due to our inability to recruit the required number of counselors and nurses for camp we were forced to cancel the first two weeks. \$19,000 in registration fees were refunded. The remaining four weeks of camp were excellent.
- 80 girls from Girls' Inc. in Hagerstown attended a week of day camp.

Support a Camp Counselor

Each gift of \$500 from a church for the support of a summer camp counselor will lower the cost for each camper from that church by \$25 (up to \$100 in discounts per camper). Gifts of \$500 given by individuals, businesses and families that identify a specific church will result in \$25 scholarships to all campers coming from that church up to \$100 per camper.

Scholarship gifts given to support specific campers will continue to be directed in full as designated.
